Dear Mr. Parcher,

Atlantic Broadband is delighted to inform you that beginning immediately, we will simulcast WSVN, the local Fox affiliate, in High Definition format on Channel 787. This is great news for all our HD subscribers, and especially for college and professional football fans.

The NFL on FOX will present exclusive live, high-definition postseason coverage, including: an NFC Wild Card Game on Sunday, Jan. 9; the NFC Divisional Playoffs, Saturday, Jan. 15 and Sunday, Jan. 16; the NFC Championship Game on Sunday, Jan. 23 and culminates with **SUPER BOWL XXXIX** on Sunday, Feb. 6, from ALLTEL Stadium in Jacksonville.

This enhancement to all Atlantic Broadband's HD packages is free of charge to all HD customers. WSVN will remain in its analog format on Channel 7. We hope you share our enthusiasm for this valuable addition to Atlantic Broadband's video service.

Sincerely,

Kevin Maguire
Vice President and General Manager
